Subject: Free Spring Webinars!

Spring Webinar Series – Starts February 14th!

PASCO's free Webinars are back! Whether you're looking to sharpen your software skills, discover new demos, or maximize your PASCO equipment, you're sure to find a session that's right for you.

Can't make it live? Register anyway, and we'll provide a link to the recorded webinar. Registrants have the opportunity to earn a certificate by completing a brief quiz provided in the session's follow-up email.

Free Webinar Schedule Overview

- Feb 14 | Advanced PASCO Capstone™ Capabilities **Register Now**
- Mar 13 | Advanced SPARKvue Skills **Register Now**
- Apr 17 | Conductivity Concepts in Chemistry **Register Now**
