From Complex to Simplicity: Get More Peace of Mind on Your HPLC Workflows with InfinityLab Assist

Live webinars
February 2026

Webinar information

Agilent InfinityLab

Date and Time:

- 16 February 2026 11:00 - 12:00 CET
- 17 February 2026 12:00 - 13:00 CET
- 18 February 2026 10:00 - 11:00 CET

Join us for a live demo of Agilent new InfinityLab Assist

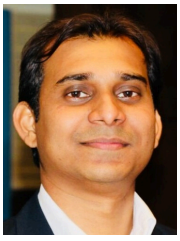

The Agilent InfinityLab Assist is an innovative control interface for Agilent InfinityLab LC systems, designed to make lab operations faster, easier, and more efficient. With its intuitive multitouch display and built-in guidance tools, it helps users of all experience levels operate confidently - reducing both the learning curve and the potential for error.

Key learnings:

- Simplified HPLC workflows
- Reduced LC lab incidents
- Proactive risk assessment
- Automation of routine tasks
- Significant time savings
- Multi-column automation
- Advanced troubleshooting & maintenance
- Tips and tricks
